# ATTENTION!

Dear Parishioners,

We have been praying and asking the Holy Spirit for guidance with a Vision for the renewal of our Catholic community in Montrose and Olathe, so that our young people will choose to become fully committed, life-long followers of Jesus.

We are now ready to move forward with this mission, which means there are going to be some changes for Sacramental Preparation. The new formation process for the Sacrament of Confirmation will change starting in 2025/2026.

This year will be the last chance to participate in our old program. So, if you have young people between the ages of 13 and 18, who have not yet been Confirmed, please take advantage before the window of opportunity closes next year.

Those who register will be prepared using weekly classes for one year, officially becoming candidates for Confirmation, if they meet all the requirements.

Next year, we will begin our new process, where children from families who are practicing their faith, understanding the basics of being a Catholic, and attending Mass every Sunday and Holy Days of Obligation, will be called by name to prepare for receiving the Sacraments, being Confirmed by the age of 13.

Thank you for your patience and understanding, as we make improvements to how we help each other prepare for the Sacraments!

Pastor

Religious Education Coordinator

# ¡ATENCIÓN!

Queridos Feligreses,

como ustedes ya saben hemos estado orando y pidiendo la guía del Espíritu Santo con una Visión para reavivar nuestra comunidad católica en Montrose y en Olathe, para que nuestros jóvenes se decidan y se comprometan, a ser seguidores de Jesús por el resto de su vida.

Ya estamos listos y seguimos adelante con nuestra misión, lo que significa que habrá algunos cambios en la Preparación para los Sacramentos. Nuestro nuevo programa de formación para el sacramento de Confirmación cambiara a partir del año 2025/2026.

Este año será su última oportunidad para participar de nuestro antiguo programa. si tiene jóvenes entre las edades de 13 a 18 años, que aun no han recibido el sacramento de confirmación, aproveche antes de que la ventana de oportunidad se cierre el próximo año.

Aquellos que se registren se prepararán con una clase por semana por un año, oficialmente se convertirán en candidatos para la Confirmación. Si ellos reúnen todos los requisitos.

A partir del siguiente año comenzaremos con nuestro nuevo proceso, donde los niños de las familias que estén practicando su fe, que comprenden lo básico de lo que es ser católico, y asisten a misa todos los domingos y días de precepto, serán llamados por nombre para prepararse para recibir los sacramentos, y Confirmación a la edad 13 años.

¡Gracias por su paciencia y comprensión, mientras mejoramos la manera de ayudarnos el uno al otro a prepararnos para los Sacramentos!

  
Sacerdote

  
Coordinadora de Educación Religiosa

One of the most frequently asked questions I hear is: Why are we going back to Gregorian Chant? Isn't that pre-Vatican II? Well, yes, Gregorian Chant is pre-Vatican II in the sense that it existed before the council. However, the council never intended that Gregorian Chant (or Latin for that matter) become obsolete. In fact, Sacrosanctum Concilium, the Vatican II document on the Sacred Liturgy specifically states that "The treasure of sacred music is to be preserved and fostered with great care...The Church acknowledges Gregorian chant as especially suited to the Roman liturgy: therefore, other things being equal it should be given pride of place in liturgical services." It goes on to say that, "The typical edition of the books of Gregorian chant is to be completed; and a more critical edition is to be prepared of those books already published since the restoration by St. Pius X. It is desirable also that an edition be prepared containing simpler melodies, for use in small churches." Next week we'll talk about why this didn't happen.

Una de las preguntas más frecuentes que escucho es: ¿Por qué volvemos al canto gregoriano? ¿No es eso anterior al Vaticano II? Bueno, sí, el canto gregoriano es anterior al Vaticano II en el sentido de que existía antes del concilio. Sin embargo, el concilio nunca tuvo la intención de que el canto gregoriano (o el latín) se volviera obsoleto. De hecho, Sacrosanctum Concilium, el documento del Vaticano II sobre la Sagrada Liturgia establece específicamente que "El tesoro de la música sacra debe ser preservado y fomentado con gran cuidado... La Iglesia reconoce que el canto gregoriano es especialmente adecuado para la liturgia romana: por lo tanto, en igualdad de condiciones, se le debe dar un lugar de honor en los servicios litúrgicos". Continúa diciendo que "está por completarse la edición típica de los libros de canto gregoriano; y se preparará una edición más crítica de los libros ya publicados desde la restauración de San Pío X. Es deseable también que se prepare una edición que contenga melodías más simples, para usar en iglesias pequeñas". La próxima semana hablaremos de por qué esto no sucedió.
